

# Productivity

Snappii offers more mobile apps for productivity than anybody else.  
The apps are built on Snappii's ultrafast codeless platform.  
All the apps can be 100% **customized** to meet customer specific requirements.

## Work Order Assigner

### Manage Human Resources More Efficiently

Conduct job interviews, calculate salary and turnover rates, and fill out time sheets, accident reports, and vacation requests.

## Job Estimate and Repair Order

### Win More Projects and Generate Lots of Loyal Clients

Make project estimates and repair orders, calculate project costs in parts and labor, track work progress, and create completion reports. Share records with your clients anytime, anywhere.  
A specific iPad version of *Job Estimate and Repair Order* is also available.

## HR App

### Streamline and Stay in Control of HR Management

Conduct job interviews, calculate salary and turnover rates, and fill out time sheets, accident reports, and vacation requests.

## Sign In Guest Book

### Enhance Visitor Management and Improve Security

Keep track of your visitors at the reception. Improve customer service and satisfaction, eliminate paperwork, and go green.

## Inventory Anything

### Collect and Manage Inventory with Ease and Efficiency

Get an accurate account of the inventory items in your store, stockroom, in the field, etc. Track inventory and the total value of the assets. Replace expensive scanning devices. Share auto-generated PDF and Excel reports.

### [Heavy Equipment Inventory](#)

**Effectively Monitor, Manage, and Maintain Heavy Equipment**  
Track your heavy equipment inventory, its location, status, and condition with the convenience of your mobile device.

### [Inspect Anything](#)

**Streamline Field Inspections and Expedite Reporting**  
Create and instantly share full-length inspection reports with photos, drawings, QR codes, barcodes, and locations.

### [DA Military Forms](#)

**Fill out and Submit DA Forms with Ease**  
The app includes multiple DA forms, such as DA 31 Form Request and Authority for Leave, DA 2166-8 NCO Evaluation Form, and DA 638 Form Recommendation for Award. Access the form you need, complete it on your mobile device, and then email it in PDF format.

### [Warehouse Inventory and Shipment](#)

**Improve the Efficiency of Warehouse Operations**  
Create and keep inventory and supply records, commodity shipment information, and pick lists. Share PDF and Excel reports on demand. A specific iPad version of *Warehouse Inventory and Shipment* is also available.

### [Trade Show Lead Collection](#)

**Connect with Prospective Customers and Generate Quality Leads**  
Capture contact details, scan attendee badges, and snap photos of business cards to easily generate leads and develop marketing strategies.

### [Billable Hours Tracker](#)

**Streamline the Time and Billing Process**  
Track your billable hours and invoice clients on the go.

### [Expense Report](#)

**Streamline Employee Expense Reporting**  
Create expense reports, capture receipts, and share them with your supervisor anytime, anywhere.

### [Office Inventory](#)

**Capture and Manage Office Furniture, Equipment and Other Assets**  
Make office inventories by specifying dates, locations, items, categories, vendors, models, and quantities. Capture images and bar codes.

### [Camera to PDF Scanner](#)

**Instantly Convert Photos and Descriptions into PDF Files**  
Capture images, add descriptions, instantly generate PDF and Excel reports and share them with others. Save time and effort spent on finding and operating scanners.

### [Building Inspection App](#)

**Stay in Control of Building Maintenance and Ensure Public Safety**  
Conduct thorough exterior and interior building inspections to identify signs of deterioration or failure, keep digital records of your past inspections, access and share them on demand.

### [Snappii QR & Bar Code Scanner](#)

#### Scan QR and Bar codes immediately

Capture and collect data, store it within the app and send it to your email as PDF or Excel reports. Save scanned codes on your own device as a catalog.

### [My Shopping List](#)

#### Manage Grocery Shopping and Expenses

Create grocery lists, automatically calculate expenses, and share them with your family members. Reduce paper waste and go green.
