Transportation, Logistics, and Warehouse

Snappii offers more apps for the transportation, logistics and warehouse industry than anybody else. The mobile apps are built on Snappii's ultrafast codeless platform.
All the apps can be 100% customized to meet customer specific requirements.

App	Description
Warehouse Lease and Capacity Calculator	**Sign and Share Copies of Rental Agreements on the Go** Sign warehouse lease agreements with the convenience of your iPad. Easily calculate the capacity of your warehouse.
Warehouse Inventory and Shipment	**Improve the Efficiency of Warehouse Operations** Create and keep inventory and supply records, commodity shipment information, and pick lists. Share PDF and Excel reports on demand. A specific iPad version of *Warehouse Inventory and Shipment* is also available.
Warehouse Inspection and Maintenance	**Stay in Control of Inventory Maintenance** Inspect inventories, visualize warehouse inspections on a map, save inspection forms on you devices and/or share them.
Warehouse Management for iPad	**Sign and Share Copies of Rental Agreements on the Go** Sign warehouse lease agreements with the convenience of your iPad. Easily calculate the capacity of your warehouse.
Inventory Anything	**Collect and Manage Inventory with Ease and Efficiency** Get an accurate account of the inventory items in your store, stockroom, in the field, etc. Track inventory and the total value of the assets. Replace expensive scanning devices. Share auto-generated PDF and Excel reports.

	[Work Order Assigner](#)	**Manage Human Resources More Efficiently** Conduct job interviews, calculate salary and turnover rates, and fill out time sheets, accident reports, and vacation requests.
	[Invoice Manager for iPad](#)	**Expedite the Invoice Process and Get Paid Faster** Instantly create and send invoices anytime, anywhere. Speed up payments and increase profits.
	[Inspect Loaders & Report Damages](#)	**Prevent Equipment Failure and Downtime** Perform detailed loader inspections and share auto-generated inspection reports.
	[Inspect Anything](#)	**Streamline Field Inspections and Expedite Reporting** Create and instantly share full-length inspection reports with photos, drawings, QR codes, barcodes, and locations.
	[Inspect Tractors & Document Information](#)	**Prevent Equipment Failure and Downtime** Conduct detailed tractor inspections by checking fluid levels, tire and wheel inflation, batteries, and other major components.
	[Inspect & Maintain Trucks](#)	**Stay in Control of Your Fleet Maintenance** Perform detailed truck inspections, integrate photos, locations, and signatures, and share auto-generated inspection reports.
	[Inspect, Assess Ships & Vessels](#)	**Ensure Public Safety, Comply with Safety Standards, and Extend Vessel Service Life** Check multiple components and assemblies of vessels, including general information, deck, hold, gears and cranes. The given inspection form complies with international regulations.
	[Camera to PDF Scanner](#)	**Instantly Convert Photos and Descriptions into PDF Files** Capture images, add descriptions, instantly generate PDF and Excel reports and share them with others. Save time and effort spent on finding and operating scanners.
